So after chatting it up with Mad Raver Rai, it seems that the party Jon O'Bir @Love is going to be wild - and by wild I mean "zomgwtfgoodnightpwnzsause." Yes, it will reach that level. I can not wait to go back to Love, and I really can not wait to see Rai up on decks in public for the first time. See you guys at the party!

PS

The party is going from 10pm to about 4am - dont mind what our calender says - it was never from the hood so it wont understand the hood... 'na mean?
